Dear [REDACTED] STATINTL

I would like to express my sincere appreciation for the pleasure of having Mr. [REDACTED] visit with us at Morehead State University on October 5, 1978, and participate in our National Security class. The real value of the National Security Program here has been to bring informative and stimulating speakers to our campus.

STATINTL

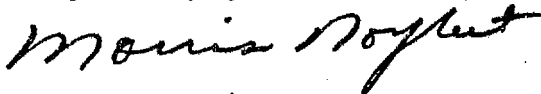

Due to a previous commitment, I was unable to attend Mr. [REDACTED]'s presentation or luncheon held in his honor. However, I have been advised by the National Security Program coordinators that his presentation on "The Central Intelligence Agency and National Security" was very well received. You are indeed fortunate to have Mr. [REDACTED] as a member of your staff.
